

# THEATRE INK 2020-21 SEASON

## FAMILY MESSAGE & CONTRIBUTION FORM

Theatre Ink, Newton North High School's teaching and working theatre, has an ambitious program of 13 virtual productions for the 2020-2021 school year. Hundreds of students participate each year in all aspects of the Theatre Ink production process. As a self-sufficient program, Theatre Ink depends heavily on contributions to assure continued excellence.

Please consider creating a tribute for your favorite actor, musician, production, or stage crew member, and/or make a Theatre Ink contribution to support our students and the great work of the program. **Thank you for your support!**
