Thank you to all who auditioned! To those of you who will be a part of the cast, we look forward to working with you to create this exciting and enlivened production of one of the most classic stories of all time.

To those of you who were not chosen to be in the cast this time, remember that it's exactly that: THIS time. Don't stop working, trying, learning, and being a part of theatre. Much of the time casting is about "fit" as much as it is about ability. So you didn't fit the parts for this play; you WILL fit a part in another play soon. Thank you for your time and courage coming out to audition. It was great to see you perform!
