

We Need Your Support!

Sponsors and donations allow the theatre program at NNHS to continue offering opportunities - both onstage and behind the scenes - for our students through ten shows each school year. Without your support, Theatre Ink would not be able to provide the programs and experiences that enrich our students and our community.

LEAD SPONSORS

Lead Sponsors are community businesses that keep our program running. Lead Sponsors will have an ad in the program for every show of their sponsorship term. Lead Sponsor ads will be seen by thousands of theatre patrons each school year. Lead sponsors also receive 2 tickets to all shows.

Lead Sponsorships are available for the full school year or for one semester. Non-profit organizations receive a 20% discount.
