

THEATRE INK SPRING MUSICAL PLAYBILL FAMILY MESSAGE & CONTRIBUTION FORM

Theatre Ink, Newton North High School's teaching and working theatre, has an ambitious program of 12 exciting productions for the 2018-2019 school year. Hundreds of students participate each year in all aspects of the Theatre Ink production process. As a self-sufficient program, Theatre Ink depends on contributions, sponsors, and ticket sales to assure continued excellence.

Please consider creating a tribute for your favorite actor, musician, production, or stage crew member, and/or make a Theatre Ink contribution to support our students and the great work of the program. Your child does NOT need to be involved with the Spring Musical in order to place an ad; we showcase all 2018-2019 performances in this playbill.
Thank you for your support!
